I love the use of a spy but not a masive one, but a average person. The movie does not go into much detail as to how this person was a spy and the other party knew what he was. It only shows that he was able to do whatever he was able to do. It was a funny movie and I recommend it to any one who likes spy/comedy movies. Loved this movie! So funny. The funniest one I've seen in a long time. I laughed until I cried. I'll never forget this movie. I'm very happy that I'm still alive. A spy or a comedy. I liked the spy movie part of it. The acting, the story line, and the music, they were really good! I wanted to see more so that I could get a better idea of what the movie was about. You know, the story, the spy part, the comedy part, the characters, etc. Balkanski spijun Balkanski spijun 2 Balkanski spijun 3 Balkanski spijun 4 Balkanski spijun 5 Balkanski spijun 6 Balkanski spijun 7 Balkanski spijun 8 Balkanski spijun 9 Balkanski spijun 10 I really love this movie.
